

Michele Faia Classes & Workshops

**HAVING FUN WITH MANDALAS**

JUNE 11—JULY 16, 2026, Thursdays, 12:30—3:00 PM, Capitola Community Center  
In each class there will be a different demo of a watercolor technique by a fellow classmate for us to try and have fun with. Or create your own! We'll draw some geometric designs too.  
Have fun, play, keep it simple and ask for help!
